

# Sunday School Social Story (Kindergarten)

Today is Sunday and we are going to church. Church is where we give thanks to God and remember that God loves us.

Today I will be going to Sunday School. First, I will go to the information desk, and I will get a nametag.

Then, I will go to my Sunday School room with my friends and my teacher.

When I am at Sunday School I will do so many fun things as I learn about God's love for me .I will do a craft, listen to a story, and eat a snack.

After Sunday School is over, my family will pick me up. They will be so excited to hear what I learned at Sunday School.
